

Working together,
families and schools
can provide the
greatest opportunity
for children to have
the best possible
start in life.

Welcome to Foundation 2023 at RPS

Our Vision

Our vision is for the children of Ripponlea to be critical and creative thinkers, who are empowered with the skills and empathy to engage with an ever-changing world.

They care, they create, they connect.

THE GRADUAL RELEASE OF RESPONSIBILITY (GRR)

At Ripponlea, we follow the Gradual Release of Responsibility Instructional Model.

We use the language:

I do
We do
You do

- Learning Intentions
- Success Criteria
- Collaborative and Independent Tasks
- Small Group Instruction
- Reflection

Victorian Curriculum

Learning Areas:

English
Mathematics
The Arts
Health and Physical Education
Science (Inquiry)
The Humanities (Inquiry)
Languages
Technologies

Four General Capabilities:

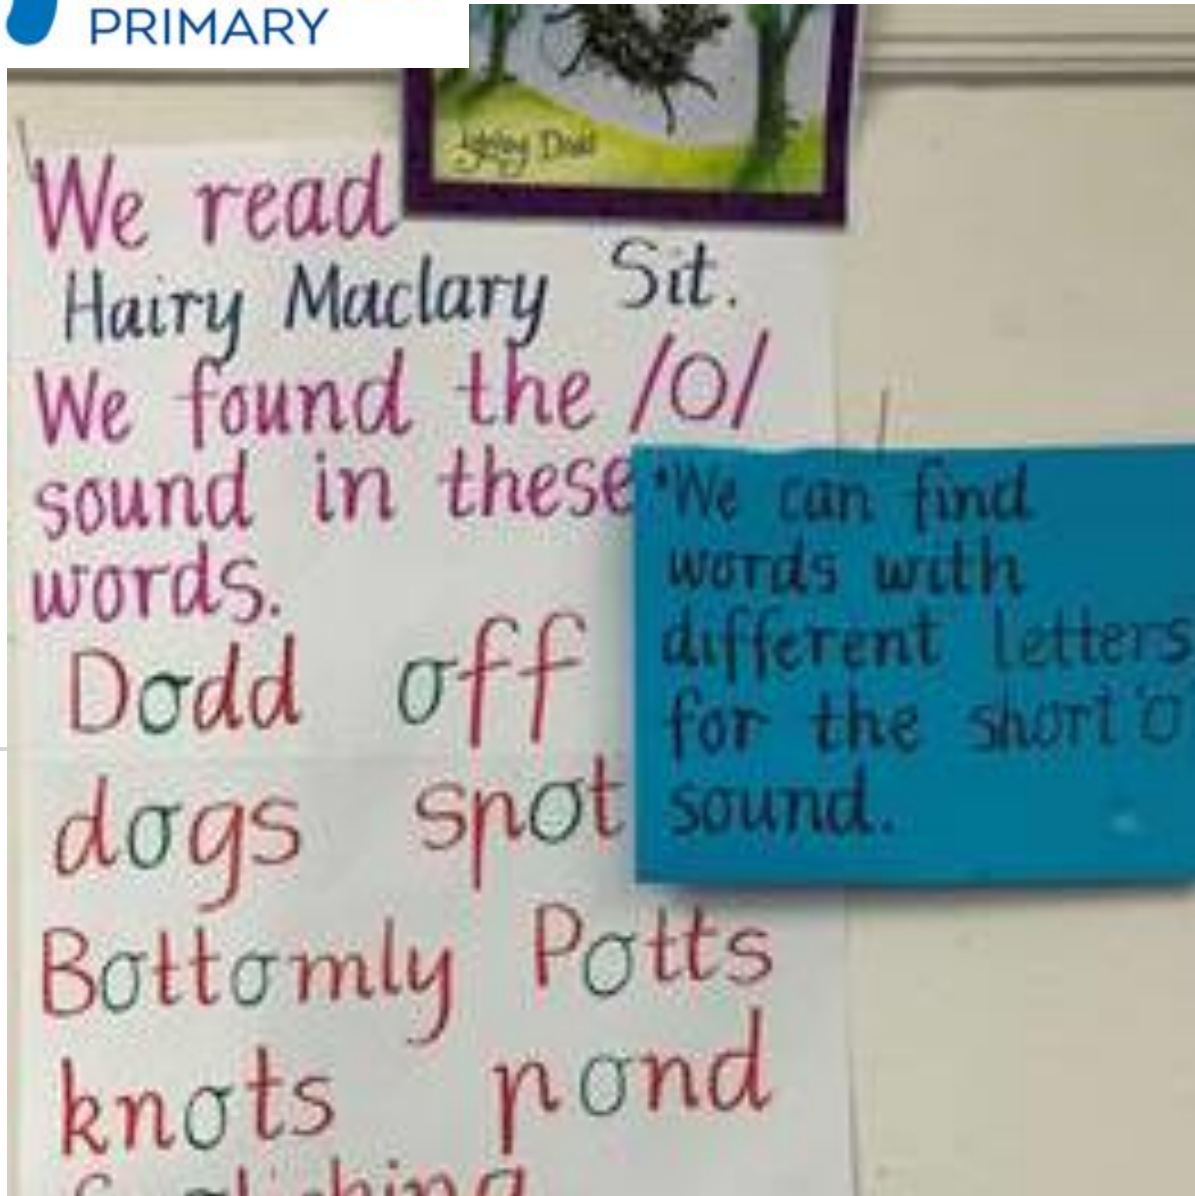

Personal/ Social
Critical Creative Thinking
Intercultural
Ethical

Mathematics lessons at Ripponlea cover areas of Number/Algebra, Statistics/ Probability, Measurement/ Geometry and Financial Maths.

At RPS we use a hands-on approach to mathematics for students to deepen their understanding in a real life context.

- Holistic approach
- Teaching in context
- Connections across:
 - Speaking and Listening
 - Writing
 - Reading and Viewing

Through Inquiry students investigate topics such as:

Families & Community;
Weather & Materials;
Healthy Bodies;
Living Things.

The Inquiry Learning topic support concept development and knowledge acquisition across areas of the curriculum such as Science, the Humanities and Technologies.

Our engaging curriculum allows students to explore artists, experiment with different materials and share their artworks with each other. Students learn how to respond to visual artworks and ask questions about the artist and works.

Art

Music/Drama

At RPS, we celebrate creativity and open mindedness and provide students with the valuable opportunities to explore their creativity through exposure to music, as well as drama and dance.

Italian/French

Students are introduced to vocabulary through songs, games and digital technologies.

PE & Health

At RPS we provide opportunities for students to develop their knowledge, understanding and skills needed to lead a healthy, safe and active life. PE at RPS provides opportunities for students to learn through structured play.

Library

We also have a well-resourced library with a great variety of fiction and non-fiction texts. Our students have a dedicated library session each week and are also able to visit the library during some lunchtimes.

Communication

At RPS we foster strong home-school partnerships to achieve best results for all our students. We communicate through a range of channels to keep families up-to-date and engaged.
