

## VISITORS

### PURPOSE

To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to Ripponlea Primary School ('RPS').

### SCOPE

This policy applies to any visitors who may attend school grounds when the school is open for instruction between the hours of 8.30am and 4.30pm when the office is staffed to monitor/receive visitors at reception. Outside of these times, our front office is not staffed and the only visitors who are permitted on school grounds are parents/carers or their delegates who are dropping off or picking up students from Outside-School-Hours Care (OSHC), school events such as parent-teacher conferences, concerts, sport or other school activities, and community and other groups who have entered into contracts or agreements with the school to use school premises outside of school hours.

### DEFINITIONS

*Child-related work:* As defined by the *Working with Children Act 2005* (Vic), child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

### POLICY

RPS strives to create an open and inclusive school community, and encourages parents and carers to be actively involved in their child's development and education. We also strive to foster strong partnerships with local community services, schools and other organisations.

RPS is not a public place. The principal has the authority to permit or deny entry to school grounds, and encourages all visitors to familiarise themselves with our school's values, basic emergency management procedures and compliance with Victorian privacy laws. Of paramount importance is for visitors to be familiar with our commitment to child safety and our *Child Safety Code of Conduct*.

From time to time, different members of the public may visit our school. Visitors may include, but are not limited to:

- Parents
- Volunteers (see our school's Volunteers Policy for more information)
- Prospective parents, students and employees
- Invited speakers, sessional instructors and others addressing learning and development
- Public officials (e.g. Members of Parliament, local councillors)
- Persons conducting business (e.g. uniform suppliers, booksellers, school photographers)
- Tradespeople
- Children's services agencies
- Talent scouts

- Department of Health and Human Services workers
- Victoria Police
- Persons authorised to enter school premises (e.g., Worksafe inspectors, health officers, etc.)
- Other Department of Education and Training staff (including allied health staff) or contractors
- NDIS therapists or other allied health or health practitioners

### ***Sign-in procedure***

All visitors to RPS are required to report to the school office on arrival. Visitors must:

- record their name, signature, date and time of visit and purpose of visit on the 'Passtab' system in the office;
- provide proof of identification to office staff upon request;
- produce their valid Working with Children Check where required by this policy (see below);
- wear a visitor's name tag (printed sticker) at all times;
- follow instruction from school staff and abide by all relevant policies relating to appropriate conduct on school grounds including Child Safety Code of Conduct, Sexual Harassment Policy, Workplace Bullying Policy and our school's values;
- return to the office upon departure to sign out.

RPS will ensure that our school's Child Safety Code of Conduct is available and visible to visitors when they sign in.

### ***Requirements for visitors to produce a valid Working with Children Check card***

For Working with Children Check (WWC Check) and other suitability check requirements relating to parents/carers and other volunteers working with students, please see our [Volunteers](#) policy.

All visitors who are engaged in **child-related work** (see definition above) must have a valid WWC Check.

In some circumstances, visitors to RPS who are **not** engaged in child-related work will also be required to produce a valid WWC Check depending on the particular circumstances of their visit. For example, RPS will require a valid WWC Check for:

- **visitors who will be working regularly with children** during the time they are visiting, even though direct contact with children is not a central part of their normal duties
- **visitors (e.g. contractors)**, who will regularly be performing work at the school and in circumstances where they will be performing their work in an area where they will be unsupervised and around children.

Further background checks, including references, may also be requested at the discretion of the principal.

Visitors who will be working in areas away from students (e.g. a visiting auditor who will be located in the front office with administration staff) or who will be supervised and accompanied by a staff member during their visit (e.g. a Member of Parliament, a journalist, a prospective parent on a school tour) may not be required to have a WWC Check.

Sworn Victoria Police officers or sworn Australian Federal Police officers are exempt from requiring a WWC Check, but may be asked to verify that they are sworn officers by providing proof of identification.

### ***Invited speakers and presenters***

On occasion, RPS may invite external speakers or providers to deliver incursions, presentations, workshops and special programs for our students. Consistent with Department of Education and Training requirements, RPS will:

- ensure that the content of presentations and programs by external providers contributes to the educational development of our students and is consistent with curriculum objectives;
- ensure that any proposed visit, programs or content delivered by visitors complies with the requirement that education in Victorian government schools is secular and is consistent with the values of public education, Department policies and the *Education and Training Reform Act 2006* (Vic). In particular, programs delivered by visitors are to be delivered in a manner that supports and promotes the principles and practice of Australian democracy including a commitment to:
  - elected government
  - the rule of law
  - equal rights for all before the law
  - freedom of religion, speech and association
  - the values of openness and tolerance
  - respect the range of views held by students and their families.

### ***Other visitors***

All business operators, tradespeople and other visitors attending the school to conduct work must report to the school office upon arrival for instruction and follow the sign-in procedure outlined above.
